

CAROL FOX ICE DANCE & FIELD MOVES CLINIC

NOVEMBER 4 – NOVEMBER 5, 2017

Wichita Ice Center 505 West Maple, Wichita, Kansas 67213 (316-337-9150)

Come visit Wichita this Fall for a Carol Fox Ice Dance and Field Moves Clinic on November 4 to November 5, 2017, at the Wichita Ice Center. The Wichita Ice Center is a twin surface facility with an Olympic size rink and a Regulation size rink that has a spectator area on the second floor overlooking both rinks. The Ice Center Arena is located in downtown Wichita and is very close to hotels, restaurants, shopping centers, museums, golf courses and the city zoo. The Exploration Place Museum has been open a few years and is just a few blocks from the rink. Also, a short distance away is the Old Town area, which has many restaurants and shops. The Towne West Regional Shopping Center is a couple of miles to the west, and the Towne East Regional Shopping Center is a few miles to the east.

There will be five clinics offered during the weekend by Carol Fox*. These clinics are open to all skaters regardless of skating level. Carol encourages every one to attend these clinics whether the clinic is higher or lower than your current skating level. The clinic should add to your knowledge of ice dance and field moves.

The host hotel for the Wichita Carol Fox Clinics is the Springhill Suites that has a special rate and is located at 6633 West Kellogg Ave. (316-260-4404) which is about four miles west of the rink. The Springhill Suites has a shuttle that runs to the airport and with advanced notice will also run to the rink.
